Subject: Adjustment of Claims for HCPCS Code Q4081

Dear Provider:

The Department of Health Care Services (DHCS) identified a claims processing issue causing claims for HCPCS code Q4081 to underpay with Remittance Advance Detail (RAD) code **0460: The claim was paid one administration fee for this injection.** This issue affected claims for dates of service from May 1, 2013, through December 23, 2013.

No action is required on your part. Xerox State Healthcare, LLC (Xerox) will adjust the affected claims. These adjustments will appear on RAD forms beginning October 8, 2015, with RAD code **0824: Price correction, after erroneous quantity cutback.**

If you disagree with any of these adjustments, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date or you may submit an *Appeal Form* within 90 days of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal website (www.medi-cal.ca.gov). For *Appeal Form* completion instructions, please refer to the *Appeal Form Completion* section in the appropriate Part 2 manual or on the Medi-Cal website.

If you have questions regarding these adjustments, please call the Telephone Service Center at 1-800-541-5555, option 5, followed by option 6.

Sincerely,

Tanya E. Schuhmeier
